

SENIOR & LONG TERM CARE DIVISION COMMUNITY SERVICES BUREAU

HOME AND COMMUNITY BASED WAIVER Policy Manual

Section: PREADMISSION SCREENING

Subject: Level of Care Reevaluations

DEFINITION

A reevaluation by the Mountain Pacific Quality Health is a level of care re-determination of consumers enrolled in the Home and Community Based Services program.

PROTOCOL

Level of care screens for the annual plan of care reevaluation is **not** mandatory. However, anytime the CMT believes that the consumer no longer meets level of care they should consult with the RPO. If the RPO agrees, a Level of Care screen should be requested of MPQH. If a consumer no longer meets level of care, they will receive a temporary approval to allow for discharge planning.
